Report on Expenditure of HAVA Title II, Section 251 Funds October 1, 2005 – September 30, 2006

The State of Utah expended federal funds to purchase a statewide voting system solution during the reporting period. It also applied state matching funds toward the voting system purchase and costs of developing the statewide voter registration database.

Voting System

The Utah State Plan on Election Reform as amended November 8, 2004, outlines the desire that all counties use a uniform voting system on pages 1 and 4. The Office of the Lieutenant Governor contracted with Diebold Election Systems, Inc. to supply a HAVA Title III compliant voting solution to Utah's 29 counties. During the reporting period, the state applied \$17,090,380 in Title II, Section 251 toward this purchase. This amount equals all available Title II, Section 251 funds with accrued interest.

These expenses include purchasing hardware, contracting with firms to convert county data to the new state format, and continuing to employ the new employee hired to implement the new system and train county election officials in its use. During the reporting period, expenses totaled \$104,363.

Interest Accrued

During this reporting period The State of Utah deposited its Title II, Section 251 funds in a Public Treasurers' Investment Fund account maintained by the Utah State Treasurer. The accrued interest totaled \$253,325.

State agencies may not earn interest on state funds appropriated for the agency's use.
